Hello Mr. Jennings,

My name is Luke Killeffer and I am a Life Scout in Troop 41 Abington. I'm currently working on my Eagle Scout Project Proposal, and filling out the paperwork. However, I don't have all of your contact information needed to fill out that part of the form. My Scoutmaster (Mr. Chris Schultz) shared your email address with me, but I also need to get your full mailing address and phone number. Could you please share that information with me so that I can complete that portion of my project proposal paperwork? Thanks very much for your help!

Yours in Scouting,

Luke Killeffer

Life Scout and Junior Assistant Scoutmaster, Troop 41 Abington

Luke,

If I'm not mistaken (and Mr. Jennings can correct me if I am), Eagle project proposals can be discussed at the monthly district round table (where completed books are turned in). So, if you complete your proposal and get it signed by the appropriate parties, you may be able to get the green light to start if you arrange to meet with Mr. Jennings or his designee.

Good Afternoon Luke,

Once you have obtained all the required approvals and signatures for your Project, please feel free to contact either Mr. Chase (cc'd on this e-mail) or myself and we will work with you to make arrangements for final Council approval of your Project. Mr. Shultz is correct in that Mr. Chase is a regular at Roundtable, and with proper notification, he can likely meet you on Wednesday, February 6 in Abington to sign off on your Proposal. If you need to make other arrangements, please let us know and we will be happy to meet with you to assist you completing this portion of the Eagle Trail.

Looking forward to hearing back from you.

Y.I.S.

Mr. Jennings

I am around all week if Luke and another adult would like to meet and go over the proposal for signature?

Chris: what night do you meet for your meeting?

If not I will make myself available for roundtable.

YIS.

David
