Hello Mr. Coburn and Mr. Schultz, I am contacting you to ask if it would be possible for both of you to help in evaluating all of the debris in the circle room and attic. My father and brothers will be helping me clean everything out into piles, but it would be extremely helpful if this could be done tomorrow (2:30 p.m) with your help (It would be just me, my father and brothers doing the cleanup).

Yours in Scouting,  
Luke Killeffer
