Hello Mr. Coburn,

I would like to bring in a couple of outside vendors (JC's Things in Whitman - <https://www.facebook.com/JcsThing/> and Dark Horse Antiques in Dorchester - <https://www.facebook.com/DarkHorseAntiques/>) to the Legion to have them assess whether or not they would like to purchase any of the items we want to attempt to sell (such as the benches, vinyl records, misc. furniture, etc.). Would it be possible to ask them if they could come meet us at the Legion on either Saturday, April 6 or Saturday, April 13? I can be available on either of those dates anytime after 8am and until early evening.

The trash cleanup is going well, and I am hoping to complete the removal of the remaining trash items in the next few weeks, as well as collect all the scrap metal and turn that in as well (although I do not expect to get much money from it - my dad and I recently scrapped nearly 300 lbs. of metal from our garage but only got \$16 for it!).

Once I have completed the removal of the trash, gotten rid of the scrap metal, and sold/sorted/categorized the remaining items, then I will be moving onto the main renovation work in the Circle Room itself.

Have you been able to get somebody to detect the source of the water leak in the Circle Room yet? Any update on whether or not the existing windows in that room can be replaced under warranty since their seals are broken? Thanks again!

Yours In Scouting,
Luke Killeffer

Great update Luke!

Either of the two dates/times you have listed work for me.

I'm hoping to get a good look at the water leak during tomorrow night's storm. I'll keep you posted.

Keep up the good work. I'm very impressed!!

Ken
