Hello Mr. Danforth,

My name is Luke Killeffer and I am a Boy Scout in Troop 41 Abington and working on my Eagle Scout project. My project is to clean out and renovate one of the rooms in the American Legion Post 112 Abington (1027 Washington St., Abington MA 02351). The room I will be renovating was previously used for storage, as well as other parts of the Legion attic space.

We came upon several old vintage items that may be worth having you look at buying from us (and thus helping to sponsor the project). Would you be available to come to the American Legion in Abington this Saturday, 4/6 anytime from 9am-noon to take a look at what we have to sell?

I will be at the Legion this Saturday during that time doing some work on the project so you could come and pick up whatever you'd like to buy (we have furniture, vinyl records, some electronics, and many other items). Please let me know if that time would work out for you, or if another Saturday morning would be better. Thanks!

Sincerely,

Luke Killeffer

Junior Assistant Scoutmaster, Troop 41 Abington

Hello Mr. Coburn &amp; Scoutmaster Schultz,

My dad and I were planning to work this Saturday at the Legion on my Eagle Project, and potentially have a couple of antiques/furniture store dealers come to make offers to buy some of the items in the attic. I believe we had checked in with you both previously if we could gain access to the Legion this Saturday, 4/6 from about 8am-1pm, but I wanted to double-check and make sure that is still the case.

We plan to continue to remove trash from the attic, as well as cleaning and sorting things in the attic also. If we have space in my dad's van, we may also begin to take some of the scrap metal out, and begin trying to sell that scrap metal.

Thanks for your help!

Yours in Scouting,

Luke Killeffer

Junior Assistant Scoutmaster Troop 41

Hi Luke,

The legion will be open.

Let me know if you need anything.

Hi Luke -

So you should not have forwarded that email from Carl Danforth like that without adding context and your own message - just forwarding a message doesn't offer any input from you, so Mr. Coburn and Scoutmaster Schultz don't know what message you are trying to relay to them. I would suggest you reply-all to Carl Danforth's message, and send his reply to me, Mr. Coburn, and Scoutmaster Schultz, and ask if the Legion can be open next Saturday from 8am-11am. I have a Cub Scout event next Saturday 4/13 from about 11am-3pm so I won't be able to help you during that time, but I could help you out before from 8am-11am.

~ Dad
