Hello! My name is Luke Killeffer and I am a Boy Scout in Troop 41 working towards my eagle project. My project is to renovate one of the rooms in the American Legion Post 112 (Abington), I have cleaned out the room and came upon some old vintage items that may be worth looking at. I can have you over this Saturday or the next one to discuss about the items, there are plenty to look at. The address is 1027 Washington St, Abington, MA 02351. My cellphone number is 781-535-4934

Sincerely,
Luke Killeffer

How's that?

Hi Luke,

Your email is pretty good, I would just make a few small tweaks - here's what I think you should email to JC's Things and to the other place:

Subject: come to American Legion Abington this Saturday, 4/6 between 10am-noon to buy vintage items

Body:

Hello!

My name is Luke Killeffer and I am a Boy Scout in Troop 41 Abington and working on my Eagle Scout project. My project is to clean out and renovate one of the rooms in the American Legion Post 112 Abington ([1027 Washington St., Abington MA 02351](#)). The room I will be renovating was previously used for storage, as well as other parts of the Legion attic space. We came upon several old vintage items that may be worth having you look at buying from us (and thus helping to sponsor the project). Would you be available to come to the American Legion in Abington this Saturday, 4/6 anytime from 9am-noon to take a look at what we have to sell? I will be at the Legion this Saturday during that time doing some work on the project so you could come and pick up whatever you'd like to buy (we have furniture, vinyl records, some electronics, and many other items). Please let me know if that time would work out for you, or if another Saturday morning would be better. Thanks!

Sincerely,
Luke Killeffer
Junior Assistant Scoutmaster, Troop 41 Abington
