Hi Mr. Mullen,

This is Luke Killeffer from Troop 41 Abington. I'm working on my Eagle Scout project to renovate the circle room and clean up the attic in the American Legion, as well as to install a new door to the circle room, and remove the old smoke-eater ductwork from the attic. Part of the repair work will include repairing the floor where the ductwork was popping through and sealing the window where the ductwork exhausted the smoke.

I am planning to have a candy sale fundraiser to help cover the costs of the building materials necessary for the project. I wanted to check with you and see if it would be possible to sell Hilliard's candy cars at the Lowes in Abington this weekend, 8/10 and 8/11. Would those days be available to sell candy? I would plan to be there for the entire day on both days, with my family helping me run the sale. Thank you for your consideration and help with my project!

Yours in Scouting,

Luke Killeffer

Junior Assistant Scoutmaster, Troop 41 Abington
