Hi Papa,
     Would you be available to meet with me and dad on Tuesday evening at the American Legion to help review our construction plans? My dad and I are planning to repair the floor in the attic where ductwork used to pump smoke out of the building, and also seal the window where the smoke was exhausting out of the building. Dad has some existing ideas, and it would be great to get your input and stamp of approval before we go purchase building materials, etc. (note we plan to do this repair work next Saturday, 8/17, and so if you're available to help we would really appreciate it!). Thanks so much!

Love,
Luke

6:30 P.M would be A good time, considering I wouldn't be able to get to the Legion until 6:35 - 6:45 p.m

Correction - about 7:15 would be best. Luke, don't forget that we don't even arrive until 6:45pm at earlieat, and then we have the meeting opening, meeting with Mr. Coburn, etc. If papa can meet us just after that, it would be great.

- Dad
