Hello Mr. Coburn, After a long and lengthy-time with completing the eagle scout workbook and making the final edits on it. I am confident that it is finished and would like to make a donation to the American Legion. I also need one last thing signed on my Workbook in order for it to be completed officially, this is needed to show at the Eagle Board of review that the beneficiary has recognized that the project is complete and approved of the work done. So, I want to meet with you this Tuesday evening at the next troop meeting to discuss what is shown in this email. Thanks for all your help!

Luke Killeffer

Heres the other draft to send to Mr. Coburn

Here are my recommended edits:

Hello Mr. Coburn,
Now that my Eagle Scout Project is complete, I am in need of one more signature from you attesting that the project has been completed satisfactorily. Additionally, I was able to raise additional funds in excess of what was necessary for the project, and so I would like to donate all excess funds to the American Legion and I would love to give that to you in person. Would you be available for a few minutes on Tuesday evening during the Troop meeting? Thanks for all your help!

Yours in Scouting,
Luke Killeffer
