August 7th, 2019

Dear Home Depot Store Manager,

My name is Luke Killeffer and I am a Life scout with Troop 41 in Abington, and I am actively working on completing my Eagle Scout project this summer. The project includes cleaning out the rotunda room of the American Legion (Post 112, 1027 Washington St. Abington, MA), replacing the rotunda room door, cleaning out the entire attic area of junk and debris, removing an old ventilation system which was used to clear smoke from the building, and repairing the areas the ductwork used to occupy. This will make those spaces in the building available for other uses, including potentially converting the rotunda room into an office in the future, as well as creating additional storage space in the attic.

I am making these renovations with the input of my Scoutmaster and American Legion Commander Mr. Ken Coburn. In order for me to complete this project I need several building materials, and I am writing to ask if your store would be willing to donate any/all of the following items:
