Dear Eagle Board of Review:

I am writing this letter on behalf of Luke Killefer. I have known Luke for two years as a neighbor and babysitter of my two children, ages 8 and 4. During that time I have found him to be particularly trustworthy, friendly and kind.

Luke is trustworthy in every instance. He babysits my children at least four times a month. The days, which children and where he babysits them varies each time. Luke is always where he needs to be, when he needs to be there and is attentive to Timothy and Madelyn while he is with them.

He is also very friendly and kind towards me and my children. I truly feel that he enjoys spending time with them and he makes them feel treasured and appreciated. As I left home on one occasion, I remember clearly the kids and Luke sitting at our dining room table. Timothy was recounting a story to him about his day and Luke was entirely focused on the story and laughing hysterically. Madelyn and Timothy both had the biggest smiles. I also remember coming home to Timothy and Luke making macaroni and cheese on the stove. Their heads were together over the pot as Luke stirred and they discussed their creation. Luke stayed that day to eat dinner with Timothy. The connection between them is indescribable, Timothy looks forward to his time with Luke!

I also enjoy my short conversations with Luke about my work at a high school in Boston and his experiences at his high school in Braintree. His curiosity, interests and connections are fascinating and our conversations teach me new perspectives to share with my own students.

Luke would make an excellent Eagle Scout and would use the opportunity to continue to grow as he becomes an adult. I recommend him without hesitation. Should you have any questions, please feel free to contact me at [jessicasager2@gmail.com](mailto:jessicasager2@gmail.com).

Sincerely,

Jessica C. Sager
